Mr. Mooney,

I've not checked all the details, but we have received a work plan. I hope to start on that pretty soon. I'll check to see if everything that was requested has been submitted at about the same time (dotting the "i"s and crossing the "t"s).

Re: ACDEH Site No. RO0000046, Geotracker Global ID No. T0600101623

Dear Mr. Detterman,

I wanted to check to make sure we have complied with your requests outlined in your April 25, 2012 letter to us.

My understanding from Jim Gribi, our consultant, is that the required files have been uploaded and that you are reviewing our workplan request for possible approval over the next number of weeks.

Thank you for your time and attention.
