Subject: Former Peterson Manufacturing Site RO0000052

Dear Mark,

We have been researching the SLIC site down gradient of our client's Fed Ex facility site at 1600 63rd Street in Emeryville with mixed success. The site is listed as an Alameda County LOP site with the number 1764. Because of the difficulty we are having finding information on this site to support changes to our work plan, we request the due date for our work plan amendment be extended to April 29, 2001. Thank you.

Regards,
Grover
