Subject: RE: RO058 (351639), 3420 35th Avenue, Oakland CA. Groundwater Monitoring follow-up

Dear Mr. Harms,

ACEH will need clarification of the co-mingled plume and will be preparing a letter in the near future. In the meantime please proceed with the groundwater monitoring event at the subject site. Please continue to co-ordinate your event with the fuel leak case (RO0002515) located at 3450 35th Avenue.

Regards,
Keith Nowell

Subject: RO058 (351639), 3420 35th Avenue, Oakland CA. Groundwater Monitoring follow-up

Dear Mr. Nowell,
Per your previous voicemail we are checking on the site closure review status one week prior to conducting the 1SA15 groundwater monitoring. The monitoring event is currently scheduled for June 17th.

Thank you

Jim Harms
