Subject: Well Destruction Scheduling, Fuel Leak Case No. RO0000058, Unocal #6129, 3420 35th Ave., Oakland, CA 94619; GeoTracker Global ID T0600101465

Dear Responsible Parties:

Alameda County Department of Environmental Health (ACDEH) staff is considering the above referenced site for potential case closure. As you are aware a site investigation for leakage associated with underground storage tank system(s) has been performed at the subject property to which you are named as the primary or active responsible parties.

Public Participation

Public participation is a requirement for the case closure process. In order to notify potentially affected members of the public of the potential fuel leak case closure, a *Notification of Potential Case Closure* was distributed to landowners or residents' addresses in the immediate vicinity. The *Notification of Potential Case Closure* requests that landowners or residents submit any comments or questions to ACDEH regarding potential case closure. ACDEH will consider all comments from the public prior to potential case closure. The opportunity for the public to comment on the potential case closure ends on April 20, 2018. To date, ACDEH has not received any comments.

Monitoring Well Destruction and Waste Removal Activities

With the public comment period approaching its end, ACDEH requests that you schedule well destruction activities for no sooner than two (2) weeks after the end of the public notification period. Please provide ACDEH, via electronic mail (Attention: Keith Nowell), confirmation that the permitting
