Re: Fuel leak case no. RO0000071 and Geotracker Global ID T0600102203, Goldsmith Lathrop, 5813-5815 Shellmound Way, Emeryville, CA

Ms. Jakub -- This confirms the request I made last week, and we spoke about on Tuesday, for an additional extension of time to provide sampling and testing and a workplan for this site. Could we have until Monday June 15, 2009? As I mentioned, I am trying to find out what happened to the work that was done after the RBCA closure request was submitted in 1998.
