Subject: Notification of Environmental Work at Atlantic Richfield Company Station #2169

Dear Station Manager,

Please be advised that Broadbent & Associates, Inc. (Broadbent) will be sampling the groundwater monitoring wells at the Atlantic Richfield Company Station #2169 located at 889 West Grand Avenue, in Oakland, Alameda County, California.

Broadbent anticipates that ground-water monitoring will take place on Thursday August 16, 2012 between 7:00 am and 5:00 pm. Broadbent will endeavor to minimize disruption of store operations during groundwater monitoring activities. It is requested that the well locations be clear and accessible.

The Site Safety Officer/Senior Technician will make contact with you when they arrive at the Site. You may contact Project Manager Tom Venus at (530) 566-1400 should you have any questions before then.

Sincerely,  
BROADBENT & ASSOCIATES, INC.
