Trinh,

As we had discussed in the attached emails, ACEH has updated the Notice of Responsibility for the subject site. Copies have been uploaded to Geotracker.

Otherwise, ACEH will stop work on this case, except for the exceptions noted in yesterday's emails.

Trinh,

I will update the NOR shortly so we can capture more recent RPs.

Hi Mark,

From GeoTracker, it appears that there are three RPs for this site. They are Raj Mulkh, BP West Coast Products, LLC., and Vintners Distributors Inc. (which does not have any contact information). But the reports from the consultant indicate that BP is the RP. Please let me know the current RP since I will prepare the Closure Denial letter for this case and will need the RP contact information.

Thank you.
