Hi Hollis,  
I was out last week, so have been catching up.

I have extended the delivery date to December 16, 2016 in Geotracker. Should you need to document the extension you can use this email.

Regards,

Mark:

Neither Cascade Drilling nor the geologist we want to use for the field work are available until 10/31. Would it be possible to get a 4 week extension on the due of the report, from November 18 to December 16, 2016?
