Thanks for the news as well as the request Robert. Please use this as approval to do so. I should be getting a response to the work plan addendum out today or tomorrow (this week?), and had extended it to July 23rd already.

Good afternoon Mr. Detterman,

We are in the process of responding to your March 4, 2010, directive requesting a Data Gap Investigation Work Plan for the subject property. Due to scheduling conflicts, we are requesting an extension for the submittal of the Work Plan to July 30, 2010. If you have any questions, please do not hesitate to call or email. Thanks for your assistance on this project. Robert
