

Phone Log #58

4/2/97

Returned Ed Herbst's call & spoke w/ Marylou. They have never done a UST closure plan before & do not know what to do. Referred her to 4/2/97 letter & instructions under permit application.

Phone Log #58

12/17/96 Returned Douglas Day's call. Left msg.

12/17/96 Doug Day called back. Discussed options for soil + gw investigation at site.

He is looking into possibly remediating the contam. from OE on site.

Went over 12/2/96 letter w/him.

He indicated that he would have Ed Herbst call to schedule sampling of fuel pad + conf. samples after OE of pit. He called back to say he has asked Ed Herbst Cto submit ULR.

He referred me to Leonard Soloway regarding <sup>VST</sup> closure plans for 4000 E 14<sup>th</sup> St.

Note: Sent oldt info re: Cleanup Fund per Mr. Day's request.

12/20/96 Spoke w/ Doug Day. He said Ed Herbst will call to schedule OE sampling on Mon. 12/23

1/14/97 Phoned Doug Day to let him know that the ULR must be filed. I told him Mr Herbst could give it to me Thurs. AM.

3/5/97 Returned Ed Herbst call. Told them I had not rec'd results of soil from 1/14/97 sampling event. Also, the VST Closure Report is long over due.

UST removal scheduled

for 10/24/96 @ 1PM  
per 10/14/96 call.

Notified K Dinsley on 10/14

Notified K Dinsley on 10/25 Re: 10/23 Removal

11/13/96 left msg for Ed Herbst to call Re:  
status of sampling results & plans  
for both Dorothy Day Trust sites.  
Office mgr. took msg & said she does  
not believe results were rec'd & she  
will call to ck & call us back.  
Asked her to fax results ASAP.
