Subject: AB&I Request for Extension

Jerry,

On behalf of AB&I, we would like to request a 30-day extension for submittal of the Pilot Test Work Plan for the chlorinated solvent plume and Pilot Test Work Plan or Draft Corrective Action Plan for the Former Fuel Dispensers and Three 10,000 gallon UST Area for the American Brass & Iron Foundry site located at 7825 San Leandro Street, Oakland, California. The additional time is needed to assess potential remedial alternative for the site.

Regards,

Kent R. Reynolds
Principal Geologist
