Brit has this file

Remarks:

I am requesting permission to review whatever files the Alameda County Environmental Health Department may have regarding impacted soil or ground water, remediation activities, or the use and disposal of hazardous materials at the PG&E property located at 4930 Coliseum Way in Oakland. I understand that fees are applicable to this request.

I would like to review this file within the next two weeks. Thank you for your assistance, and I look forward to speaking with you soon.

Other offices: Irvine, CA; Sacramento/Roseville, CA; Tallahassee, FL; and Honolulu, HI
