Subject: SLIC Case No. RO0000099 and Geotracker Global ID T0600100258, PG&E, 4930 Coliseum Way, Oakland, CA 94601 – Request for Regulatory Oversight Funds

Dear Mr. Saur:

Due to the nature of the contamination at this site, case RO0000099 was transferred from the Alameda County Environmental Health (ACEH) Local Oversight Program to the Spills, Leaks, Investigations, and Cleanups (SLIC) Program in June 2007. However, we find no record of a deposit to the ACEH regulatory oversight account, which is required for SLIC cases. In order to continue to provide regulatory oversight, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$6,000.00. Our records indicate that the current balance on the above referenced SLIC oversight account is a negative balance.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$173.00 per hour. Please write "SLIC" (the type of project), the site address, and the account ID AR0320138 on your check.

If you have any questions, please call me at (510) 567-6791 or contact me my electronic mail at [jerry.wickham@acgov.org](mailto:jerry.wickham@acgov.org).

Sincerely,

*William W. Pitcher*
