Subject: RO0000177 Report Upload

GGTR has uploaded a copy of our April 22, 2008 Groundwater Monitoring Report to the ACEH FTP Site. The report presents the findings and conclusions of the March 11, 2008 (1st Quarter 2008) groundwater monitoring and sampling event conducted at the site located at 1532 Peralta Street in Oakland, California.

Respectfully Submitted,

Brent A. Wheeler
Project Engineer
