Thank you Paresh. Should the remedial excavation plan be approved, it is likely good timing since the current property tenant is to be evicted within the next week or so, providing us temporary access to the entire site until reoccupied. We appreciate your time.

Brent

Hello Brent

I have completed my review and prepared a letter. It is currently under supervisory review and should be sent out by the end of next week.

Sincerely

Paresh C. Khatri

Paresh,

Please inform us of the anticipated date for review of our October 27, 2009 Feasibility Study & Corrective Action Plan prepared for the commercial property located at 1532 Peralta Street in Oakland, CA. The property will soon be temporarily vacant in between tenancies and will provide opportunity for conducting the proposed remedial soil excavation/disposal activities at the site.

Thank you & Happy New Year,

Regards,

Brent
