Dear Mr. Tracy,

I am the case worker for case RO117, the Osagie Property, located at 1532 Peralta Street in Oakland, CA. Alameda County Environmental Health (ACEH) approved a Corrective Action Plan (CAP) on May 20, 2010. This is the most recent document uploaded to the ACEH website. I am inquiring if the CAP was implemented and on the current case status.

Regards,
Keith Nowell
