

Jakub, Barbara, Env. Health

Subject: RO128, Tulloch Construction
Entry Type: Phone call
Company: Ceres Associates

Start: Tue 8/5/2008 4:18 PM
End: Tue 8/5/2008 4:28 PM
Duration: 10 minutes

Alex Porto with Ceres Associates, 707-748-3170 called to discuss destroying the well. I recommend that he leave the well until someone can assess whether the site meets current closure standards. I told him that the files for this site are on the acgov .org website and if he had time to review the file.
