Dear Mr. Tran,

We communicated a number of years ago (8/10/2009) about your site and I tried to help you claim the site. It appears that the site has yet to be claimed in Geotracker. Here is the link I provided previously.

I'm sure you would like to proceed with this case toward closure and this is the first step. Please feel free to call me with any questions so you can at least come into compliance with Geotracker requirements.

Thank you,
