**Subject: Addendum 1 to GR Report No. 6420.02-1, *Work Plan For Monitoring Well Installation* (dated December 17, 1997)**

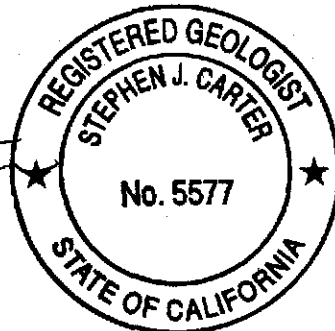

Ms. Logan:

During our telephone conversation of January 26, 1998, you requested that the well Gettler-Ryan Inc. (GR) proposed to install near the southeastern property boundary be moved closer to the locations of soil borings FNBO-3 and FNBO-4. GR will move the location of this proposed well so that it is situated between boring FNBO-3 and the sidewalk. A revised site plan is attached.

If you have questions, please call me in our Sacramento office at (916) 631-1300.

Sincerely,  
Gettler-Ryan Inc.
