Bob,

We'll schedule a meeting this week. A preliminary review of the soil gas data is encouraging; however, I have not validated the data. I'll be in touch.

Keith,

The RP and prospective purchaser are having a conference call with me on Monday at 3 pm. Do you have any information to share in response to our request for a meeting? Any info with respect to our recent reports and request for closure? Just wondering. Thanks.

Bob Clark-Riddell

Keith,

Thank you for the letter with conditional approval of the proposed soil gas sampling. We will have the Soil Gas Sampling and Groundwater Monitoring Report to you very soon. Any update on a meeting date?

Bob Clark-Riddell, P.E.
