Pangea submitted materials, waiting for CW assignment

Submit doc mid last year

No need for speed before, now abt to get entitlements, cant do grading until someone can oversee remediation plan

Addtl soil vapor testing done, go ahead on remediation plan, restarted

Will fwd old e-mail from last sept. 2007

03/24/08, 155p, Podium sitting in ground, changed development plan

Want to demolish, concerned about how

Coronado St property site installed MWs & on poppy fabric & did soil gas sampling

Re: e-mail submittals, any records for case file need to be submitted to ftp site, not by e-mail

The e-mail she sent me was extremely large, loads up e-mail & I did not access

Please post to ftp site

She included new development plans, different from originally submitted

She will follow-up with Steven re: review of site
