Mr. Bob Clark-Riddell called regarding RO139- Mehdizadeh Property, 5175 Broadway. Mr. Clark-Riddell called to inform me the RP was in discussion with the Regional Board for case transfer. He also asked if I had seen the Tom letter- I said yes I had. No further discussion on that topic. We discussed the possibility of remediation DPE/AS system restart. I informed him I had approved the system restart on the 31st of last month. Mr. Clark-Riddell responded that he had “dropped the ball on that one”.
