**Subject:** Request for Extension Fuel Leak Case No. RO000142

Dear Jerry,

Our client Mr. Glen Poy-Wing, the responsible party for the Oakland Auto Works site (Fuel Leak Case No. RO000142) has requested a year extension to the scheduled due date of March 10, 2008 for the SVE System Start-Up Report as requested in the Alameda County Env. Health Services letter from you, dated October 5, 2007. Mr. Poy-Wing is currently involved in divorce proceedings and as a result of this, his financial assets have been frozen. We are still under contract and able to continue quarterly groundwater monitoring as usual in the interim. If you have any questions, please call us.

Thank you,
