Subject: 2703 Martin Luther King Jr. Way, Oakland - RAP extension request

Jerry,

Per our conversation, I'd like to request an extension on the due date for the draft Remedial Action Plan for the referenced site. Your February 28, 2008 letter requests the RAP by April 28th, and I'd like to propose May 28th.

Also, the February 28th letter requests a Site Investigation Report for Off-site Areas by May 8th. We will require 2 new access agreements and 1 amended access agreement for the work to be completed. We currently have one agreement in place and are very close to a second. As soon as I have all of the agreements in place, I will propose a report due date. We may move forward in stages if any more delays are anticipated.

Please call me if you have any questions.

Thanks,

Jacquelyn
