Peter,

Based on your request, the schedule for submittal of the off-site groundwater and soil vapor investigation report for the above referenced site is extended to September 30, 2013.

Jerry,

Per our telephone conversation today, I would like to request an extension of the due date for a report on the off-site groundwater and soil vapor investigations proposed in CRA's July 19, 2012 *Subsurface Investigation Work Plan* to September 30, 2013. We have not received access agreements from any of the off-site property owners to date.

Regards,

Peter Schaefer, CEG, CHG
