Jerry - According to our count, 126 of the *Notifications of Potential Case Closure* are being sent via regular U.S. Mail today.

Am I correct in assuming that we should wait until the public comment period is over before abandoning the groundwater monitoring wells?

Please let me know if you have any questions or if there is anything else I can do to expedite the closure process at his juncture.

Thanks Ron.

Ron,

Please distribute the attached Notification of Potential Case Closure to the addresses shown on the attached mailing list **no later than November 5, 2011**. Please also send the Notification of Potential Case Closure to any persons, corporations, or government agencies that you or Rob Bond are aware of that may have an interest in this fuel leak case and send me the list of those interested persons. The Notification of Potential Case Closure requests that landowners or residents submit any comments or questions to ACEH regarding potential case closure by December 5, 2011. Following distribution by U.S. Mail to the attached mailing list, please submit written verification of the date that the Notification of Potential Case Closure was distributed to the attached mailing list.

Regards,

Jerry Wickham

Jerry – Rob Bond wanted me to send you the attached “List of Landowners Form”

This form should represent the last piece of information needed to notify potentially affected members of the public of the potential fuel leak case closure.

Please contact me if you have any questions or need any more information.
