Ron, I received your e-mails, hopefully you also received mine of 07/30/07. I would like to talk to you & Chuck about the site, on the date & time above, & to establish exactly what needs approval prior to the store opening (if I recall you had wanted approval for on-site MW installations? Let me know if otherwise). Let me know if this time works for you. I am out of the office most of this week & unavailable next week, so this is the first available time I have for this case. Donna
