Typically we only give 30 days to prepare work plans but since this one includes performing a utility study I will provide you an extension until November 18, 2013.

Subject: Request for Extension for 1700 Jefferson RO#151

Hi Barbara,

We just received approval from the client to implement the work plan at 1700 Jefferson. We'd like to request an extension until the end of December to submit the Work Plan Addendum.

Thank you!
