Dear Mr. Dusich:

A review of the case file for the above-referenced site indicates that your case is currently out of compliance with Alameda County Department of Environmental Health's (ACDEH) October 3, 2014 correspondence, which requested the submittal of a work plan by December 2, 2014. ACDEH issued follow up letters requesting compliance with our October 3, 2014 correspondence on May 13, 2015 and May 26, 2016. A year has lapsed since our most recent letter and the work plan has not been received.

Therefore at this juncture, ACDEH requests a meeting to be held at our offices. ACDEH proposes a meeting date of Tuesday, June 14, 2017 at 10 AM. Please confirm the acceptance of the proposed time by electronic mail, Attention Keith Nowell at keith.nowell@acgov.org by May 31, 2017. If the June 14th date cannot be accommodated, ACDEH staff requests that you propose other dates and times.

As your email address does not appear on the cover page of this notification, ACDEH is requesting you provide your email address so that we can correspond with you quickly and efficiently regarding your case.

Thank you for your cooperation. ACDEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org

Sincerely,

Keith Nowell, PG, CHG
Hazardous Materials Specialist
