Subject: Fuel Leak Case RO0000155- Mills College

Dear Ms. Zitzner,

Thank you for attending the meeting today regarding the fuel leak case for Mills College, Alameda County Environmental Health (ACEH) case number RO0000155. It was a pleasure meeting with you and Mr. R. Lee Dooley of EquoLogic. As discussed, one remaining data gap remained to meet the State Water Resources Control Board's (SWRCBs) Low Threat Underground Storage Tank Case Closure Policy (LTCP). ACEH requested preparation of a draft work plan to insure TPH was not a threat to the nearby surface water body. As the previous well search only reviewed wells in the Department of Water Resources database, ACEH requests an updated well search to include the Alameda County Public Works database.

Regards,
Keith Nowell
