Dear Mr. Gholami,

As per your request, please find attached hereto the amended analytical laboratory report for the above referenced site, which now quantifies the MTBE in the MW-1 water sample. Please replace the earlier laboratory report page with this corrected version.

Based on the data submitted to date, we anticipate your recommendation for case closure in the very near future. Please feel free to call me if you have any questions whatsoever.

Very truly yours,

Stuart G. Solomon
Senior Consultant
