Subject: RE: Former Exxon 70691 (Fuel Leak Case No. RO162): Deadline Extension Request - Soil and Groundwater Investigation Report

All,
Please use this email to document ACEH concurrence with the revised report deadline extension. I'll update Geotracker shortly.
Best,

Mark Detterman

Subject: Former Exxon 70691 (Fuel Leak Case No. RO162): Deadline Extension Request - Soil and Groundwater Investigation Report

At the request of ExxonMobil Environmental Services Company on behalf of ExxonMobil Oil Corporation, ETIC Engineering, Inc. (ETIC) is requesting an extension of the deadline for submittal of the Soil and Groundwater Investigation Report from 25 January 2013 to **15 March 2013** for former Exxon 70691 (Fuel Leak Case No. RO162), located at 10100 International Boulevard, Oakland, California.

The proposed sampling locations were marked and checked for the presence of underground utilities on 27 December 2012. The drilling permit from the Alameda County Public Works Agency is pending. The advancement of the nine proposed soil borings is scheduled for 21 through 24 January 2013.

Please respond that the proposed deadline extension is acceptable.

Thank you for considering this request.
