

Subject: RO0162 PHONE LOG 2008-07-30
Entry Type: Phone call
Company: Dodg Corporation

Start: Wed 7/30/2008 2:21 PM
End: Wed 7/30/2008 2:21 PM
Duration: 0 hours

Phone call with Jose Sauchedo of Dodg Corporation 510-533-6194. He indicated that as current land owner, they inherited contamination and he does not believe they should be lead RP. I explained that ACEH identifies all responsible parties according to regulations. He will need to work out with other RPs who will take lead on the work. I provided contact information for ExxonMobil but had no further information beyond addresses for other RPs.
