Subject: Public Notification for LTCP Case Closure for Ras-Co Manufacturing (Claim 10081, Global ID T0600101947; RO0000164)

Bob and Nathan,

Alameda County wanted to followup on the Public Notification List for the referenced site that is currently out for public notification. As noted previously, Kevin Graves had stated that these would be available through the USTCF. You are both identified in the Notice as being responsible for questions. Can you forward copies of the lists?

Thanks,

Mark Detterman
