Subject: Ras-Co Well Destruction (RO164 / Claim 10081 / T0600101947)

ACEH is notifying you of the completion of well destruction at the subject site. A well destruction report has been uploaded to Geotracker and accepted by ACEH. Because waste removal was not reported, it has been subsequently confirmed in an email. Other than closing the case in Geotracker once ACEH receives the SWRCB issued RACC, please let ACEH know if additional support is needed relative to this site closing under SWRCB actions.
