Sub Claim # 14095  
Attn - Mr Andrew Cooper.

Sir,  
This is with reference to above mentioned claim at 6600 Foothill Blvd, Oakland, CA-94605. Since I have a law suit against me by our neighbour, I would like this cleanup to continue till our neighbour withdraws his case. I have found that if this claim is closed then I will be personally responsible for the law suit against me. So please dont close this case unless fund is ready to reopen this case if my neighbour does not withdraw his case.

Thanks-

Ravi Sekhon
