Thank you for the landowner form.

Jim - I've realized that the public comment period ends April 2, and not this Friday 3/29. ACEH needs to give all members of the public an opportunity to comment in that entire period. While this may seem small, it can become a real issue. Please reschedule, you should have time to not incur a driller cost.

Thanks,

Subject: FW: Fidelity Roof Status?

Monte,

Per my phone message, we have the well destructions scheduled for this Friday (3/29). However, Mark Detterman at ACEH just emailed me that he has to have the signed Landowner Ownership Form faxed/emailed to him before he will authorize us to do the well abandonments. So, if possible, please fill out/sign the form and email or fax directly to Mark Detterman, with cc to me.

Thanks, we're almost there!

Jim

Subject: Fidelity Roof Status?

Jim,
I wanted to followup on the status of the landowner form from Monty and the scheduling of the well destruction as requested in the last letter for the site; both were due on last Friday. The public comment is now half over and so far no comments.
Thanks for following up,
