Karel,

Thanks for sending this.

We're moving a bit more slowly on this project than we anticipated. We're still working with our client to determine the optimum approach given their goals. We hope to ramp up our activity level soon.

Jim

Hi Jim and Voytek: Attached is a FS/CAP Fact Sheet example for your use. Please include a figure showing an outline around the site, adjacent streets and the locations of the former USTs labeled. Send me the draft fact sheet in Word, I'll make any revisions, pdf it and send back the final version ready to send out along with an address list.

Thanks,
