Hi Christina:

Sorry I did not get back to you sooner. We have no further comments on the Draft CAP. Therefore, please finalize the Draft FS/CAP and upload to the ACEH ftp site and the State GeoTracker database. Once this has been done you may proceed with the public notification period.

Subject: 3093 Broadway - field work

Hi Karel/Dilan,

I wanted to provide an update regarding field work at 3093 Broadway. Next week, we will be beginning the pilot study implementation and soil sampling as described in the Draft FS-CAP. This phase of work will start on Monday May 11 and continue through Tuesday May 26. Please let us know if you have any questions.

Also, a friendly reminder that we are awaiting your comments on Draft FS-CAP Sections 6.3.1 to 9.0 and Appendix D and E, the project schedule, and Fact Sheet.

Thanks,

Christina Rain
