Subject: Request extension for UST investigation report, 5812 Hollis Street

Hi Barb,

I would like to request an extension for submittal of the UST investigation report at 5812 Hollis Street (RO#201) until 25 September. We are hoping to meet with the RWQCB and DTSC to discuss appropriate screening levels for the Site on 10 September, and I would like to wait until after that meeting to submit the report summarizing our results. Please confirm the extension with a response to this email, and feel free to contact me by cell phone with any questions or comments.

Thanks,

Matthew B. Hall, PE
Senior Project Engineer
