Subject: 3943 Boradway, Oakland, RO0000203

Barbara:

I just downloaded your letter re the subject site and noted that you have not received "any groundwater monitoring reports....since July 30, 2007...nor has any report been uploaded to ...Geotracker...since the Fourth Quarter 2007". I just perused Geotracker and noted the below latest uploads from TRC:

5605604469	76 STATION, 4TH Q, 2007	Q4 2007	DENNIS JENSEN	2/12/2008	RECEIVED ON 7/15/2008	QC REPORT
8286471307	2Q08 QMR (BCL# 0807494)	Q2 2008	DENNIS JENSEN	7/13/2008	RECEIVED ON 11/19/2008 *	QC REPORT

However, the latest on your site appears to be 7/30/07. Obviously there has been a disconnect here. I have a message into Dennis Jensen to get this sorted out. I'll also address your other letter comments ASAP.

Thanks

John R. Reay, P.G.
