DISCUSSION:

BP received a letter dated 11 January 2007 from ACEH stating that consideration was being given to close the case for this Site. As a condition of closure, BP provided certification to ACEH that BP is the sole landowner of the Site. On 4 April 2007 BP received notification that future ground-water monitoring/sampling can be discontinued during case closure review process. No environmental activities took place at the Site during this quarter. The most recent quarterly data can be referenced in the First Quarter 2007 Ground-Water Monitoring Report for the Site. A Ground-Water Elevation Contour and Analytical Summary Map from First Quarter 2007 is provided as Drawing 1.
