Mr. O'Laughlin,

Based on your request, the level of interest expressed in this fuel leak case, and the fact that the public comment period spans the holidays, we will extend the public comment period to January 31, 2012.

Regards,
Jerry Wickham
Alameda County Environmental Health

Dear Mr. Wickham:

On behalf of Save Our Sunol I would like to request that the deadline for submitting public comment on the above noted case be extended by 30 to 60 days so that Save Our Sunol has adequate time to study the case file and review the materials that you have provided regarding the closure process. We will not be able to do this prior to the current deadline. Thank you for the information that you provided in our recent phone conversation. I will be out of state from December 5 to 11 and will contact you with additional questions after my return. Thank you for your assistance in this matter.

Sincerely,
Jim O'Laughlin, Vice President
Save Our Sunol
