Rick,

The site is in the process of closing. A 60 day public comment period closed on December 18, 2017, regarding the potential closure. You should have received a flyer as the adjacent property owner. On April 9th, ACDEH requested the wells be destroyed by May 18th. A closure summary package should be issued by the end of June 2018, provided no problems are encountered with the well destruction and waste removal. I see that you were not copied with that letter, so have attached it.

I have also noted your new address. Thanks for letting us know you have moved.

Mark:

My name is Rick Marment and I own the property adjacent (14332 Washington Ave.) to Palace Garage/14336 Washington Ave. Can you please advise if this property has been cleared by all agencies involved. Also, if you are still sending out correspondence, please correct my email address and mailing address. Thank.

Thanks
