Hi Kate,

That would be fine; as I said, I think the date in the letter did not get revised when it was issued. Please use this email as ACEH approval of your request. I'll update the due date in Geotracker as well.

Hi Mark,

As we discussed the time allowed for the preparation of the requested Work Plan or CAP is insufficient for the preparation necessary to adequately evaluate the site. Closure Solutions would therefore like to request a 30-day extension to July 22, 2011.

Thanks,

Kate
