Subject: Request for Extension

Hi Mark,
Just following up on my telephone call to you the other day. As you know, the report deadline for the Data Gap analysis at Palace Garage is October 18. Unfortunately, due to subcontractor scheduling issues I will be conducting the field assessment between October 7 and 11. As such I will not be able to meet the current report deadline. If possible I'd like a 30 day extension. I believe I can get the analytical data back and a report completed in that amount of time. Let me know what you think. I'll keep you posted on my progress.
Thanks,
Matt
