What you can't do the impossible? I'm seriously disappointed! ☺

Thanks Matt. I'll extend the date to September 2, from what you've said.

Please use this email to document the change.

Subject: Change order for Palace Garage

Hi Mark,

Just wanted to let you know I've been trying to contact the Fund to get a status report on the recent change order request I submitted for Palace Garage in San Leandro. So far no word on a decision. It's likely they won't have one either before the upcoming March 28 deadline for the revised CAP the county has requested has passed. As such I'm still behind the eight ball. There is no budget left for the site in the 2013/14 fiscal year. In addition, you may recall the previous change order request submitted back in July 2013 for the site was denied for this fiscal year. As such I'm unsure if we will be granted additional funds this year even with the new site information. If you have any connections with the Fund, would you be willing to ask and see if you can get an answer on the status? Otherwise I humbly ask that the extension I've requested to move the due date for the revised CAP to September 2, 2014 be granted. If you have any questions please feel free to call me.

Thanks,
Matt
