called him w/ ques re. 1/27/05 monitoring report  
left him my phone number for return call

DO & ORP done with bailers - next time with lowflow pump and flow cell  
samples could not be retained below 20 ft, results "did not look good"  
will go to site with CPT on Monday next week  
sent confirmation email

**Start:** Wed 11/17/2004 11:57 AM  
**End:** Wed 11/17/2004 11:57 AM  
**Duration:** 0 hours

spoke with Christie re. City approvals of car dealership development plans for 6393 Scarlett Ct., Dublin  
told her that key approvals from us are:

1. approved and implemented CAP
2. confirmation monitoring
3. soil management plan
4. health risk assessment

she will send me a copy of the development plans and she will email me copy of the conditions for insertion into the conditional use permit  
she will contact RWQCB re. VOC problem at adjacent portion of property (6363 Scarlett)

status check on workplan review  
510-521-3773

returned his call on 11/5 at 3:45PM  
discussed letter response and status of review  
explained that comprehensive review will put us on closure track  
looking to have letter out next week, he can call week after next if it doesn't make it to him  
they are looking to kick off remediation by week april 2005
