Subject: RO# 212 - Report Upload

Hello Jerry,

The Site Assessment Report dated December 11, 2008 for the former Holland Oil property located at 16301 East 14th Street, San Leandro has been uploaded to the ACEH ftp site. Our administrative staff also mailed a hard copy which you should have received by now. I apologize if you do not want to receive hard copies of reports - this was my oversight. For future reports we will not send hard copies.

We have requested GeoTracker authorization and we will upload the necessary documents when we receive authorization for the site. Thank you.

Regards,
Glenn Reiss, REA
