Hello Donna,

I received in the mail today a Notice of Responsibility on this site. Based on the definition of a responsible party on page 1, I do not believe I should be listed as a responsible party. Alameda County HCD has never owned or operated any portion of this site. Please confirm that since my Department never owned or operated this site, I am not a responsible party and remove me from the responsible parties data sheet.

I believe the Alameda County entity referenced on page 2 as having purchased a portion of the site in May 2008 is the County Redevelopment Agency. I've cc'd Eileen Dalton, the Redevelopment Director.

If I am incorrect or you need additional information, please let me know. Thank you.

- Linda
